10th Dimension Boys

82. Gloomy Valentine's Day

I've destroyed every cacao tree and chocolate factory in the world
BOOM!
BOOM!
BOOM!
BOOM!
BOOM!
Now this last factory
will be obliterated in 3 minutes
It's going to be heaven for singles but hell for couples
You did all these just to abolish Valentine's Day??
Oh
Hmm?
I assume this is the last chocolate on the earth?
